## IT IS A FACT

That thousands of our business men go to their offices in the morning after an uneasy night, or a late dinner, feeling dull and all out of sorts. This is entirely unnecessary, for a single dose of that sparkling foaming specific, Tarrant's Seltzer Aperient, taken before breakfast, will immediately dispel all feelings of heaviness, remove gently but surely the cause, and quicken into healthy action every fibre of the system. For sale by all druggists.

### THE TERRIBLE DISASTER.

The Death Roll Swelled to 4,000 Souls.

London, 30.—Of the foreigners who were staying at Casamicola, only those were saved who were at the Theatre on Saturday night. The survivors state they were obliged to pass Saturday night in absolute darkness, without daring to move, even to assist those who were calling for help beneath the ruin. But little hope is left of more being still alive. According to the latest estimate 3,000 persons perished on the island. Many soldiers searching for victims were fatally injured to-day. Subscriptions have been opened throughout Italy for the relief of the distressed.

It is stated as certain, that 4,000 persons perished on the island of Ischia on Saturday night. The stench from the dead bodies of human beings and animals is almost unbearable.
